## EASTER 2024 – COFFS HARBOUR

### Opal Cove Resort

Friday 29 March 2024 to Monday 1 April 2024

4 Days – 3 Nights

Day 1 – Friday 29 March 2024

An early morning home pick up (Brisbane Metropolitan Area) will be arranged to transfer you to our coach departure point. Our journey today takes us on the Mt Lindesay Highway via the pretty country town of Rathdowney. Mt Warning and Mt Lindesay, located within the Border Ranges, can be seen in the distance. Crossing the New South Wales border, we stop to view the James Westray Monument at Collins Gap. Westray, in a valiant attempt to search for help after the 1937 Stinson aircraft crash lost his life during his heroic journey. We continue on the Summerland Way via Kyogle and Casino and south to Grafton before arriving in Coffs Harbour and our resort for the next 3 nights.

Day 1 - Morning Tea / Lunch / Dinner

Today's itinerary is subject to change.

Day 2 – Saturday 30 March 2024

A perfect opportunity to take a walk down to the ocean or enjoy an early morning swim in the resort's pool. After breakfast, it's time to explore Coffs Harbour. Visit the National Cartoon Gallery and experience something which will give you a good laugh. The gallery holds the largest collection of cartoons in the country. The original building was an Air Force underground bunker in WWII and is well worth a look. Visiting Coffs Harbour's Butterfly House offers the opportunity to stroll amongst hundreds of Australian butterflies in

an indoor sub-tropical rainforest setting.

Wearing bright colours

helps attract the butterflies. Travelling to Forest Sky Pier at Sealy Lookout allows us to take in the expansive view encompassing Coffs Harbour city, its foreshore and marina.

Day 3 – Sunday 31 March 2024 Experience the colour and charm of Holland in Coffs

Harbour at the Clog Barn. Walk around the miniature model Dutch Village with its working windmills and garden railway. A must-see, which is on our agenda, is the BIG Banana. No visit to the Pacific Coast is complete without a selfie at this iconic structure. As the only place in New South Wales where the Great Dividing Range meets

the Pacific Ocean, Coffs Harbour is unique. Much of its appeal lies in the easy access to unspoiled beaches, some being only a stones throw from the heart of town. This afternoon we will spend time discovering the stunning beaches on an on-coach excursion. Day 3 – Breakfast / Lunch / Dinner

Today's itinerary is subject to change.

Day 4 – Monday 1 April 2024

A scenic drive is ahead of us today. Leaving Coffs Harbour early this morning we travel north on the Pacific Highway to Alstonville via Yamba. Our lunch stop will be at Summerland Farm which is a macadamia and avocado farm set high in the picturesque Ballina / Byron Hinterland. The farm (previously known as The House With No Steps) provides employment for people

with a disability. Leaving Alstonville our homeward journey takes us via Ballina and Byron Bay. Arriving back in Brisbane, transfer to your home address. Day 4 – Breakfast / Lunch
