Day 3 – Thursday 21 October 2027

Hobart – Strahan

Western Tasmania is like nature amplified, a place where the wilderness rules and people are few and far between. Visiting Mount Field National Park is a humbling experience, not only for the fact it's part of the Tasmanian Wilderness World Heritage area, but also because it's home to some of the tallest eucalypts and flowering plants on Earth. Wander amid these giants to reach Russel Falls – take a deep breath, you are officially on holiday. Records continue to be broken at Lake St Claire, the deepest freshwater Lake in Australia, before you arrive in Strahan, gateway to the World

Heritage listed Franklin-Gordon Wild Rivers National Park.

Day 3 - Breakfast & Dinner - Strahan Village

Today's itinerary is subject to change.

Day 4 – Friday 22 October 2027

Strahan – Cradle Mountain

The inky waters of the Gordon River – given its colour by amber buttongrass tannis – are as eery as they are beautiful, the mirror-like surface only broken by your chariot out to Sarah Island. It's hard to reconcile the beauty of this part of the state with its grim history as a penal colony; a place where convicts would fell Huon pines for boat building. Thankfully, they didn't get to the 2,000 year-old pine that still stands proud at Heritage Landing. Early settlers didn't mince their words

when they called the treacherous entrance to the river's harbour 'Hells Gate'. You will understand why when you drift past. Cradle Mountain awaits to the north.

Day 4 - Breakfast, Lunch & Dinner – Cradle Mountain Hotel

Today's Itinerary is subject to change.

Day 5 – Saturday 23 October 2027 Cradle Mountain – Burnie

Today has multiple highs – quite literally. The first is 1,545-metre Cradle Mountain, your backdrop as you explore Dove Lake on your Cradle Mountain tour, the wild alpine moorlands here are a natural magnet for lovers of the wilderness. The spectacular and pristine wilderness of Cradle Mountain is home to the mysterious and secretive Tasmanian Devil. You'll love the next adventure today – a Day Keeper tour at Devils @ Cradle will lead you through the sanctuary and provide you with a thorough insight into its operation. When joining this

tour you will be directly supporting these animals and threatened species conservations. Leave the Central Highlands after an uplifting day and head towards the scenic north-west coast for your overnight stay. **Day 5 – Breakfast & Dinner – Tall Timbers**
Today's itinerary is subject to change.

Day 6 – Sunday 24 October 2027 Burnie – Launceston

Table Cape is by far Wynyard's most remarkable natural wonder, at 180 metres high, 'The Cape' – as locals refer to it offers spectacular views of Tasmania's coastline. As you drive to the top of the remains of a 12 million year old volcano you'll reach Table Cape lookout where, on a clear day, you'll see mountain ranges over 175 kilometres away. If there's a town with a cuter name than Penguin, we're yet to find it. Locals embrace its appeal with penguin sculptures at every turn, including one measuring 3 metres tall. Your journey along the northwest coast also passes through Burnie, Ulverstone and Sheffield, the latter delivering a surprise collection of 60 murals telling the area's history. All this exploring builds an appetite. Refuel at Ashgrove Tasmanian Farm, where happy cows contribute to award-winning cheeses – everything from cheddar and red Leicester to creamy Tasmanian blue.

Day 6 – Breakfast – Best Western Plus Today's itinerary is subject to change.

Day 7 – Monday 25 October 2027 Launceston

There are few places in the world where you can leave the city behind and, within minutes, be immersed in nature. Launceston is one. In the blink of an eye you arrive at Cataract Gorge, a dramatic chasm carved by ancient rivers. Its rare nature setting blends rugged bushland with elegant Victorian gardens, rich with ferns and exotic plants. Consider joining an optional experience – take in sweeping views over the gorge from the scenic chairlift as it glides over the water to a lofty lookout. Or choose to visit Beaconsfield Mine, Seahorse World or Platypus House.

Day 7 - Breakfast – Best Western Plus Today's itinerary is subject to change.

Coles Bay, framed by pink granite cliff faces. There's a reason why this place stars on postcards! The other destination on postcards is Richmond, its grand 1820's Georgian buildings today home to boutiques, galleries and cafes that appear to be lost in time. Your last stop for the day is to the shores of the Derwent River where local Palawa will welcome you to country and show off some local bush tucker. This afternoon we return to Hobart.
